Project Title: **Warframe Website**

I'm thinking of this as a multi-page thing, each focusing on the game's journey. Could have a novel navigation scheme (big hero images? Carosuel?) for the home page, but once you leave that realm, things become pretty standard with the nav bar and such.

X Home Page/Introduction – What is warframe?

F2P space ninja game with big community focus,also who made it etc

X Setting

Sci fi fare, lore and such

X Gameplay

Game genre, moment-to-moment actions etc

X Development

Dark sector, beta, etc

X Status

Content schedules

X Expansions

New content added to the game, how that impacts play

X Sources – [Warframe - Wikipedia](#)
